

# Campus Essential Function Definitions

	<b>Continue Visible Leadership</b>	Maintain continuity of executive leadership, including the chain of command, to provide strategic guidance, facilitate policy level decision-making, effectively execute the directions and decisions of campus leadership, and proactively communicate with internal and external stakeholders.
	<b>Continue Teaching</b>	Preserve the ability of faculty to conduct the curriculum with minimal interruption.
	<b>Continue Research</b>	Preserve the ability of faculty and students to continue research projects with minimal interruption. This may involve issues of space, physical and electronic infrastructure, project personnel, grant support, and other issues.
	<b>Maintain Critical Infrastructure</b>	Preserve and protect the underlying and fundamental facilities and systems needed for the operation of the campus, including buildings, roads, utilities, communication systems, and other critical components.
	<b>Maintain the Reputation of Campus</b>	Actively manage the public perception of actions taken by the campus and/or UC System to mitigate the impacts and consequences of a disruptive event.
	<b>Maintain Relationships with Stakeholders</b>	Proactively communicate and coordinate with the external entities that support the execution of the campus mission: donors, grantors, corporate partners, local, state & federal agencies, and others.
	<b>Maintain Safety &amp; Security</b>	Maintain campus safeguards protecting people and property from threat or harm to provide for the uninterrupted protection and continuation of a safe learning, working, and living environment.
	<b>Provide Emergency Services</b>	Immediately assess and respond to the operational issues and impacts of a disruptive event in order to protect and preserve life, property, and the environment.
	<b>Maintain Financial Stability</b>	Monitor and manage any risks to campus revenues and budget caused by, or associated with, the disruptive event.
	<b>Maintain Basic Campus Services</b>	Maintain the core services that support teaching, research, and the operation of the campus. These will include student housing, dining, financial aid, IT services, purchasing, human resources, and other services.
	<b>Maintain Patient Care</b>	Provide essential patient care, both inpatient and outpatient. Though prioritization or curtailment of services may be necessary, the focus will always be on achieving positive patient outcomes and safety.
